WELCOME MESSAGE

It is with great pleasure and gratitude to God Almighty that we welcome you to the Kingdom Intervention Conference, 2023 holding in the beautiful city of Jos for the first time. We are so excited to have you join us over these next three days.

This is a very special conference, as it's our 10th annual Kingdom Conference. It is also the first LIVE conference since the Covid pandemic. This conference will however be HYBRID so we can broadcast to all nations from the city of Jos. We have a large online audience, so for those who can't join us here in Jos, the next best thing is to join us online.

We also have Viewing Centres in different parts of Nigeria (see www.Lapislazuliministries.org). These are halls where people can participate using shared facilities and receive healing and importation in a faith-filled environment while also enjoying fellowship. You can however also engage from the comfort of your home.

The Guest Speakers sent by Our Heavenly Father to minister to us over the years at our Kingdom conferences have not only transformed hearts, but also brought great healing and miracles. The spiritual feast at these annual conferences have always been amazing. We have no doubt that there will be an increase in the glory of God in our midst at this conference

We are very pleased to have Dr Tom Jones, the Vice-President of Global Awakening, lead this team of greatly anointed Guest Speakers this year. He carries a healing anointing, a passion for revival and the Father's Heart of love.

We are particularly excited to welcome Tom and Katherine Runuola to Nigeria. This is their first time in Africa, and we are honoured to host them. Katherine Ruonala is the founder and senior leader of Glory City Church, Brisbane. She has a healing and prophetic ministry and travels extensively. She is the Founder and Leader of the Australian Prophetic Council. Tom serves as the Honorary Consul of Finland in Brisbane.

Charity Cook is a Global Awakening associate evangelist who holds an M.A. in Practical Theology from Regent University. Charity encourages the intimate relationship with Jesus Christ, and desires to see the reality of His Kingdom and power manifested on earth.

To lead us into the Throne Room over these couple of days, will be Olumide Iyun.

He is a song writer, worship leader and producer. He is known for his love and pursuit of God. Alongside, we will have Apostle Daps Gwom, a multi instrumentalist and Gbenga Olusola, an anointed Minister of Music.

We welcome Sherri Lewis, the Executive Director, Bethel Atlanta Africa and Ekpombang Bessie Nchenge, the Director Bethel Atlanta School of Supernatural Ministry, Cameroon. They carry an Apostolic call, and have a heart to bring God's love and transformation to people. Bessie is also the Facilitator for Bethel Sozo in Cameroon.

Also joining us live in Jos are 8 members of the Global Awakening International Ministry Team. They have paid their way to come to lovingly minister to all our participants. We are really blessed to have them with us. We know that their hearts of generosity will be rewarded by the Almighty God.

We are glad to have Tessy Oyediran, the youth pastor from Lighthouse London also joining us. Tessy's heart is to encourage the youths to love God.

We are also pleased to say that we have a great team that have been trained at our Lapis Healing or Prophetic courses. In addition we have members of the Revival School here to minister with their Dean, Pst Udy Ntia. These teams will all be serving alongside the International Ministry Team.

There will be ministry in the main hall at the venue and also a LIVE Healing room and a Prophetic Booth in the Liberty hall.

At the same time that the Healing rooms in Jos are open, we will have Lapis Online Healing and Online Prophetic rooms open between 12 noon to 13.30 (WAT).

The world is really going through turbulent times. Economies are crashing, Governments are struggling, there are wars, and rumours of wars. Many are emotionally scarred and worn out. There has never been a time where there has been such a desire for the living God to intervene in the affairs of mankind.

For Father God to intervene, He usually would have to begin by intervening in our hearts. He desires that we see things through His perspective. He desires that we grant Him access into places in our hearts that have felt hardened so He can make it tender again, and help us desire to love Him intimately (Mark 12 v 30).

Let us, as advised in Phillipians 4 v 6-7, let go of anxiety and fretting, and as we pray and give thanks, let's observe how God's peace stands garrison over our hearts, and floods our being, resetting us again, for the day ahead. Let us together fix our eyes on Jesus, with the assurance that indeed, He will intervene on our behalf.

PASSION FOR HIS PRESENCE

Our greatest desire at our Conferences is for the manifold Presence of God. (Psalm 84 v 1-4). Just as the Israelites camped around the Ark in the Old Testament that housed the Presence of God, we desire to be ready vessels for the Holy Spirit to inhabit in greater measure and power. As the deer pants for the water brooks, so our soul pants for You , O God as we come together.(Psalm 42 1- 2). We know that Our Heavenly Father responds to hunger, so our heart is to come together, in one accord into His marvellous Presence.

This Presence manifests in various amazing ways . It could be comforting, joyful and cleansing. It could also be an overwhelming feeling of unconditional love, or a time of great release, renewal and refreshment. It could come with weeping, and the overwhelming sense of Gods goodness or mercy towards you, or an out pouring of His love. With some others, they just feel an inner peace, which they can't explain or the desire to worship Him from our inner being.

There may also be the desire to forgive those who have wronged us in one way or the other, or the ability to sense God's perspective on certain issues we have been struggling with. Psalm 16 v 11 says "In His Presence, we always have fullness of joy." There could therefore be the overwhelming joy, and a lightness of heart.

Some people receive the Holy Spirit through the laying on of hands, and at other times, the Holy Spirit is simply poured out upon people sovereignly. He loves it when we turn our affection to Him, and are expectant of His c o m i n g .

In the house of Cornelius, we read in *Acts 10 v 44*, that as Peter preached to the people, the Holy Spirit fell on all who listened. These were Gentiles who had never heard of the Holy Spirit before, and the believers who accompanied Peter were amazed. However the Holy Spirit comes, it's never to embarrass the individual. He is very powerful, so could sometimes cause us to sit, fall down or lie down. Don't be afraid to yield yourself to anything God desires to do with you. The more yielded you are, the easier it is for Father God to intervene in our heart.

We have made available "Catchers" who are people in read T-shirts. They have been taught to come behind

you during ministry in the Spirit and thus help you sit or lie down under the power of the Spirit. The fact that there's someone behind you, should help you relax under the power of the Spirit.

Over these next three days, let's seek the Lord together as we spend time at His feet for this baptism in the Holy Spirit that is available to us. If you have tasted of the Holy Spirit, you can always ask for more. Father

Over these next three days, let's seek the Lord together as we spend time at His feet for this baptism in the Holy Spirit that is available to us.

God has no limitations. We are advised to keep being filled with the Holy Spirit. Let us remove distraction, and fix our eyes on Jesus, the Author and Finisher of our race. We all need the loving and empowering Presence of the Holy Spirit to be poured out on us like never before. We all need Father God to intervene in all the circumstances of our lives, cities, and Nations. Do enjoy this time in the Lord's Presence.

CONFERENCE INFORMATION

ABOUT LAPIS LAZULI MINISTRIES

Lapis is the Latin word for Stone, and Lazuli is from the Arabic word Azula. This precious blue gemstone with golden inclusions of Pyrites, is said to have come out of Middle East history, and is said to be found in few deposits around the world. The ancients associated this stone with friendship and truth which are such a foundational and integral part of Our Lord.

This foundational stone is referred to in a number of places in the Bible. In some texts it is referred to as Sapphires. It is first mentioned in Exodus 24:9-10 where it is described as the pavement under Our Lord's Feet and it is also referred to in Exodus 28:15-21, as the stone on which God wrote the Ten Commandments.

We also find reference to it in

Ezekiel 1:25-28 where it is referred to as the foundation of the Throne in heaven. Song of Solomon 5:14 describes His body like polished Ivory decorated with Lapis Lazuli.

The foundation of wisdom as described in Job 28:1-11 also makes reference to this. The last book in the Bible, Revelation refers to the stone in Revelation 21:19. It is referred to here as being used in the foundation of His dwelling – The Holy City.

Lapis Lazuli Ministries is a vessel that seeks to carry these foundational truths out into the four corners of the world. It restores lives by reconnecting hearts back to the extravagant love of The Father, raising up generations by repairing faulty foundations, uniting churches and ministries, by breaking down walls and celebrating all that unite, and in this way, impact the spiritual state of Nations.

VISION

To be a platform of healing and encouragement for the church and the nations.

MISSION

- Reconciling hearts to God the Father and restoring lives.
- Raising up the foundations of many generations by teaching foundational values.
- Fostering unity across the body of Christ, by celebrating all that unites us.
- Impacting nations, by transforming the spiritual state.

Lapis Lazuli Ministries was birthed in November 2013, by Engr Femi and (Dr) Mina Bajomo. The name was given during a prayer time Mina Bajomo had with Trish Riley (her prayer partner). They were given the verse, Ezekiel 1 v 26 and as they pressed into the Lord, they realised the name was to be used for this ministry. The ministry serves to re-

awaken the Body of Christ to the extravagant love of God, our Father with our heart, soul, mind and strength. for His world. We seek to encourage embedding this culture in our churches, and ministries, so that hearts are reconnected to our Heavenly Father's Heart, through Jesus Christ. The Ministry also seeks to repair old foundations of teaching, with emphasis on healing, thus raising up generations of sons and daughters. We celebrate all that unites the Body of Christ, thus breaking down walls and impacting Nations.

Lapis Lazuli Ministries has grown from its inception in Lagos, Nigeria and become a global ministry. To steward well all the Lord is pouring into the world, through this ministry, it has developed into the following expressions. They include; LapisLM Prayer, LapisLM Healing and Prophetic, LapisLM Resources, LapisLM Radio, LapisLM App, LapisLM Worship, LapisLM Conferences, LapisLM Healing and Prophetic.

TESTIMONIES

Anu, Lagos

I read the book "Co-labouring with God" by Dr Mina Bajomo. The book inspired my faith and strengthened my resolve. I got miracle money, a large team of people who volunteered and a really successful conference. Someone got delivered of Homosexuality and healed of HIV at the conference in awe of God.

Femi, Lagos

Unstable knee. It could be very painful sometimes that I find it very difficult to climb stairs. I've had this condition for over 8 years. After I was prayed for, I received my healing. For the first time in years I could squat without pain.

David, Abuja

I have been having stomach pain for a good one year. After the prayers, everything changed completely, the stomach pain disappeared and I am not the same anymore. Thank you Jesus.

Sylvia, Abuja

At the back of the hall during the afternoon break, someone prayed and ministered favour to me on the first day of the program. Before the conference, I have been waiting for over a year to do my clinical houseman ship but nothing seems to happen despite my several application letters I submitted all over the states in Nigeria. This hindered me from doing my National Youth Service which can only be done after I have completed my houseman ship. After the first day of the conference, I switched on my phone and discovered that during the afternoon, that God had answered my prayers as I was notified through a sms to come collect my appointment letter and start my clinical houseman ship.

Odessa, Texas, USA

During worship time with Olumide Iyun, I got healed of stomach discomfort. When I went to the Zoom prophetic room the minister shared everything with precise accuracy concerning my journey with encouragement. Thank you for your ministry of love.

Sayo, UK

I requested prayers for severe menstrual pain, abdominal pain and food allergies. I have received my healing and praise God as I now feel a renewed confidence in God and a knowing that He is constantly with me, which I currently enjoy.

Precious, UK

I have been out a job for a while and yesterday as soon as the conference ended I received a call and got job offer. One minute I was responding to emails about

being put on furlough and the next minute I got a new job.

Peace, Yola

I had pain and watery discharge from the ear. Lapis Lazuli ministers in Adamawa prayed for me, I felt cold sensations in the ear, thereafter the pain and discharge stopped.

Samuel, Kaduna

During Dr. Tom Jones message this morning, the words that came out from him was just healing to me, because I've been thinking about my past, that I can't amount to anything in life again, maybe God has forgotten about me. He made me understand that your scars shows where you have been, but it doesn't dictate where you are going, that alone changed my perspective about life entirely. And even the prophetic words resonate with me perfectly. The words were accurate, no mincing of words and it was timely. God be praised forever more.

K. A-J (London, U.K)

I've had arthritis in my knees and anytime I go to the gym, I'm unable to do squats as it would be in pain. After I received prayers, I got my healing. I can now do squats!

Mary (Nairobi, Kenya)

The word spoken to me from the prophetic room was that God is watching my every step and will give me a crown. At this point in my life, I'm making deliberate efforts about everything in life and the word says God is watching and will crown my efforts, all glory to God.

Duza

I had questions in my heart, I had anxiety about the same questions, and I needed answers to these questions. The words I got were spot on and they really hit on these questions. I thank God for Lapis Lazuli for giving us this opportunity, may God bless you so much.

Raphael, Kaduna

I have had alot of doubt about myself and I have not believed in the capacity of what I can do even when people tend to see it and tell me but today in the prophetic room I got words the shifted me "Do not doubt yourself, there is restoration to all which has been lost, God has not forgotten what you asked, he has smashed the door opened and that were my prayer point last night into this morning. Glory!

Afor

I was ministered to in the healing room and healed of short-sightedness. I am now able to read without pain and with ease.
